

BEHIND THE SCENE

The script of this year's Christmas play "**God Has a Plan**" is based on what we have been teaching in the Children's Church. At the beginning of the school year 2016-2017, we developed a teaching plan. We decided to teach from the beginning of the Old Testament and find the "Jesus Connection" in every story. And to nourish a spirit of team work among the little ones, we thought we would try one communal craft each week instead of individual uniform crafts. Some of their crafts will be displayed in the slideshow during the play.

We noticed increased knowledge, abilities, character, and talents in each and every child. We hope to exhibit that through the annual Christmas play. This year, as a challenge to the older children, we have added choir chimes in the play.

We strive to find different ways for children to learn the word of God, build good character and have fun.

Most of all, this is the season to create an unforgettable Christmas memory. The cast and crew have been working hard to create this memory. We hope you enjoy watching our Christmas play as much as we have enjoyed bringing it to you!

Merry Christmas and God bless!

God Has a Plan

A Souvenir Brochure and Synopsis

*"I danced in the morning
when the world was begun,
And I danced in the moon
and the stars and the sun,
And I came down from Heaven
and I danced on the Earth,
At Bethlehem I had my birth."*

In the beginning was the Word. And the Word was God.
God created everything and He said it's all good.

When the sneaky serpent led Adam and Eve into sin, the
Lord told them to leave the beautiful garden. But God
had a salvation plan.

From Noah, the righteous man; Abraham, father of all
nations; and many good and evil kings and queens,
God's plan has always taken wings.

Through long ages of the past, prophets have foretold
His coming. Now the time has come at last.
He is Born! Sing we all to the Savior's birth!
