If prayers have been answered and someone is ready to be removed from the prayer list, please let the Pastor or Karen know in writing.*

**Prayer Focus: 1 Thessalonians 5:19 Quench not the Spirit**

Has the Holy Spirit been speaking to your heart, tenderly directing you to do something? Have you obeyed Him and done what He has prompted you to do? Have you turned a deaf ear to His voice? Be encouraged to...

- Listen to the Holy Spirit's leading!
- Regard with zeal His voice!
- Open your heart and ears when He is speaking to you!
- Take every opportunity for the Holy Spirit to use you!
- Never throw water on the flames until you quench the Spirit.

Instead of dousing the flames of the Spirit in your heart, it's time to say, "yes, Lord, I'll do what you say. I'll go where You send me. I'll obey what You tell me to do!"

Dear Lord, help me to quickly obey when the Spirit of God prompts me to do something. I do not want to throw water on the flames of the Holy Spirit in my heart. Forgive me for the times I have not listened and obeyed. Fill me anew with brand new courage to step out in faith, to quickly obey and leave the results with you! In Jesus' name! Amen

Pray and ask: Godly wisdom, anointing of the Holy Spirit and God's favor. May we all have ears to hear what the Spirit is saying! Be blessed as you serve!

**USHERS:** Beverly & Lonnie Chadwick, Juana & Bruce Chennault

**Children's Church Lesson:** Sept. 15–Paul series: 1 Corinthians 13–Love Is Blessings: Sunday School Lesson–The purposes of a person's heart are deep waters, but one who has insight draws them out. - Proverbs 20:5 Today we talked about water and its properties, what it is made of, and how we use water in our bodies. We had fun doing some water experiments to discover the electrolysis of water and create a walking rainbow with food coloring. Then we made some bubble art.  
 Children's Church Lesson–Today we learned about Paul's Conversion. The kids were very intrigued as to why I had a big bag of bird seed and they wanted to try some! We checked the ingredients to discover they are all natural and found in nature, so we let a few of them taste some.
